## Rifle Club

The purpose of the Karlsruhe American High School Rifle Club is to promote interest in the sport of shooting a rifle safely. Safety is the first and foremost aspect of the club. The club meets each Thursday at the Rod and Gun Club where practice is conducted in the indoor range. Air rifles are used and average scores are kept on each member. The club now has six active members from Junior High and High School. Students are expected to furnish their personal weapons and pellets.

## Slide Rule Club

The Slide Rule Club consists mostly of Junior High students and was organized so that students wanting to learn how to use a slide rule would receive early experience. Programmed learning materials are used as well as informal instruction in slide rule. Students are shown how to build a slide rule early in the course. The group has been small up to now but more students are signing up. We feel that the slide rule is not completely obsolete and helps students learn how to read scales and have a tool for working problems in arithmetic and science.

## Junior Red Cross

The Junior Red Cross is a club offering students an opportunity for refining skills in First Aid and Child Development. This year our club participated in a basic First Aid Course and a Mothers Aid Course. The participants received certification upon completion of the course work. At the present time our Junior Red Cross members are implementing their knowledge by volunteering hours after school and on weekends at the Base Nursery and at our Local Red Cross Office.

# International League Of Schools

# Ecology Club

Sponsor: Mr. Simons

## International League Of Schools

The purpose of the International League of Schools is to work toward a better understanding among the four nations involved, to help overcome national prejudice through common experiences, discussions, and social events. To learn about the culture, tradition, and customs of the other nations. The members of the International League of Schools are the Canadian Senior School, Baden-Baden; French Lycee Charles DeGaulle, Baden-Oos; German Windeck Gymnasium, Bühl; American High School, Karlsruhe. Some of the activities are international youth conferences and seminars, exchanges, sports and social events, and other activities involving all four member schools throughout the year.

## Human Relations Club

The Human Relations group is an unstructured group which welcomes any students who are interested in a club that mixes academic and social involvement together into one activity. The Human Relations group is mainly interested in promoting an awareness of methods of positive interchange of ideas between people.

## Ecology Club

The Ecology Club consists of students, and we hope that this is all students at Karlsruhe High School, who have a desire to better our world through conservation of our natural resources. The main project and fund raiser is the collection of papers. All students and teachers are encouraged to contribute any recyclable paper products.

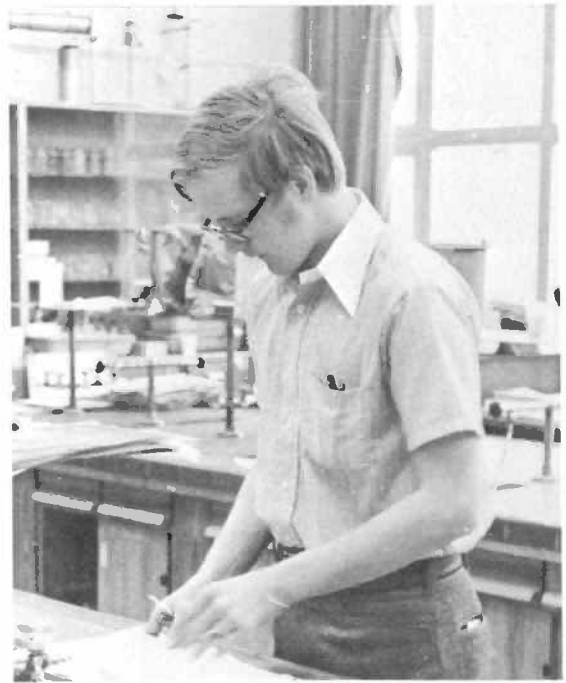

## Student Senate

The Student Senate is made up of one representative from each class, all the class officers, and any interested students in grades 9-12.

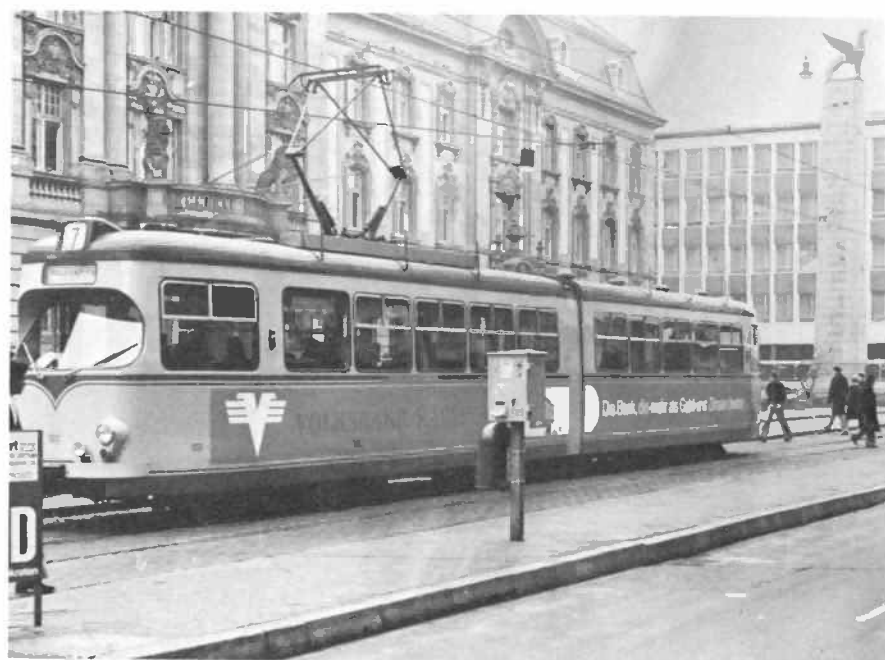

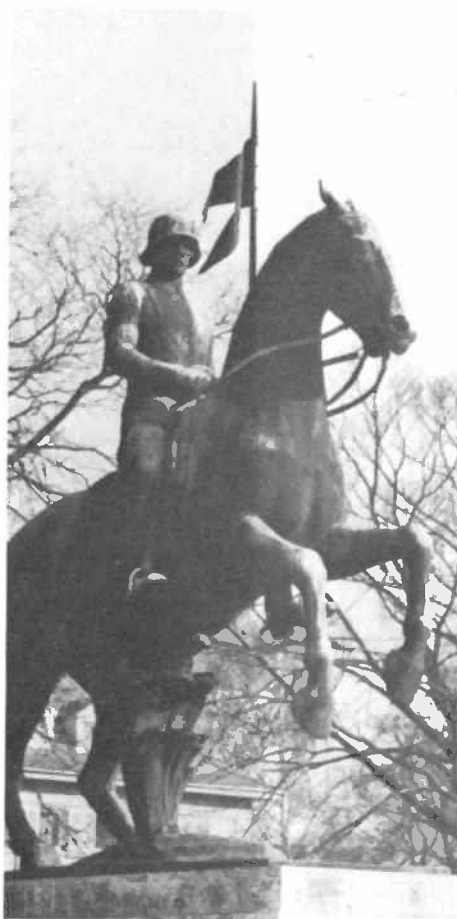

The purpose of the Student Senate is to improve student life at Karlsruhe High School.

# SMILEY BOWLING LANES

## OPERATING HOURS

MON. 1300-1700 Hrs.

TUES.-SUN. 1300-1700 Hrs.

OPEN BOWLING

FRI. 1300-1700 Hrs.

SAT. AND SUN. 1300-2300 Hrs

Now you don't have  
to choose between  
serving your Country  
and continuing your  
education.

Over 1000 colleges and the Army have an educational plan called Project Ahead. It's a way to enlist in the Army and start your college education at the same time.

If you qualify under Project Ahead, you choose the participating school you'd like to graduate from before you enlist. Then no matter where you study while in the Army, you'll take courses taught by accredited colleges right on the post, with the Army paying up to 75% of the tuition.

After your enlistment's over, you'll be eligible for further financial assistance.

If you're interested in starting on your college degree while you're working at a good job, call me.

**Call Army Sgt. George Long  
about Project Ahead.**

As co-sponsors of the 1976 DER KAVALIER, we would like to use this corner to express our appreciation and thanks to the people who showed a sense of responsibility and dedication in order that this publication could get to the printers. The following students are commended for their work: Teresa and Margaret Salamone, Lorraine Alcott, Tim Sisk, Margaret Anderson, Chuck Schwarz, Conrad Jiao, Patrick Keavaney, and Barbie Dover. Thanks to all the teachers for putting up with our photographers as they snapped their pictures. A special thanks goes to Ms. Schiebe for her help and allowing us use of the darkroom.

Mr. and Mrs. Duane Kroseman
